Register at the reception of Taman Negara Resorts.

Your guide will be meeting you this evening, around 2030 hours. He will then give you a brief orientation. This afternoon, we will take a motorised boat to the Lubuk Tenor Fish Sanctuary where a fascinating fish feeding experience awaits. Lubuk Tenor, blessed with clear water (unless there is recent heavy rain) and many fish is the result of a successful eco tourism project involving local villagers and the Government to create fish sanctuaries.
