

Post-Conference Training Workshops

Immediately following the 12th World Conference, ICEVI plans to organise three training workshops for a limited number of applicants who have attended the World Conference. The Training Workshop Topics are:

- Workshop A: Visually Impaired Children with Additional Disabilities
- Workshop B: Low Vision
- Workshop C: Early Childhood Intervention

Assuming that there is sufficient interest in these workshops they will be organised at three separate venues in Kuala Lumpur on July 22 and 23, 2006.

Please note that in making selections the Training Workshop Coordinators will give preference to applicants who are:

1. actively working in a program that includes or is developing a component related to the workshop topic,
2. willing and able to share the skill and knowledge acquired with others and
3. from a developing or emerging market country with limited training opportunities.

If you are interested in being considered as a participant in one of these training workshops, please send an email including your preferred choice of workshop to ICEVI Secretariat in India
